ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share, Christmas Club, Special Savings, IRA, Health Savings, Money Market, and Loyalty Choice Rewards accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Money Market accounts are tiered rate accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. The Loyalty Choice Rewards account is a tiered rate account. Please refer to section 2 for additional details about this account.

2. LOYALTY CHOICE REWARDS ACCOUNT — For Loyalty Choice Rewards accounts, you may qualify for dividends for each account criteria met. The criteria are: a) have a debit card; b) have an active loan under the same account number; c) have a certificate under the same account number; and d) have a direct deposit of any amount into the same account number. The corresponding dividend rate and annual percentage yield for each criteria met are disclosed in the Rate Schedule. If you do not meet any of the account criteria your account will not earn any dividends.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Share, Christmas Club, Special Savings, IRA, Health Savings, Money Market and Loyalty Choice Rewards accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Share, Christmas Club, Special Savings, IRA, Health Savings, Money Market, and Loyalty Choice Rewards accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

7. ACCOUNT LIMITATIONS — For Share Draft accounts, after 12 months of no activity your account will be closed and any remaining balance will be transferred to your primary share account. For Share, Christmas Club, Special Savings, IRA, Health Savings, Money Market, Non Dividend and Loyalty Choice Rewards accounts, no account limitations apply.
