| 4 Criteria Met | 0.600 \% | 0.601 \% |  |  |  |  |  |  |

 and APY for that balance range will apply to the full balance of your account.
 the last calendar day of the month.

 Par value of a share in this credit union is disclosed on the Fee Schedule.

5. ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on the business day that you deposit noncash items (e.g. checks) to your account. If you close your account before dividends are paid, you will not receive the accrued dividends.
6. VARIABLE RATE INFORMATION. If your rate is variable as indicated above, the rate is based on the Board of Director's discretion. We may change the rate monthly. There are no limitations on the amount the rate can change.
7. LOYALTY CHOICE REWARDS. The Loyalty Choice Rewards Account is a tiered rate account. You may qualify for dividends for each additional criteria met. The criteria are: a) have a debit card; b) have an active loan under the same account number; c) have a certificate under the same account number; and d) have a direct deposit of any amount into the same account number. The corresponding dividend rate and annual percentage yield for each criteria met are disclosed on the Rate Schedule. If you do not meet any of the account criteria your account will not earn any dividends.

1. RATE INFORMATION. The Annual Percentage Yield (APY) reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The dividend rate and Annual Percentage Yield (APY) are fixed and will be in effect for the initial term of the account. The rates for Renewals shall be those rates in effect at the time of renewal. The APY stated is based on the assumption that dividends will remain on deposit until maturity; a withdrawal of dividends will reduce earnings.
2. COMPOUNDING AND CREDITING. The frequency with which dividends will be compounded and credited is set forth above. The "Month" begins on the first calendar day of the month and ends on the last calendar day of the month.
3. MINIMUM BALANCE REQUIREMENTS. The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.
4. BALANCE COMPUTATION METHOD. We use the Average Daily Balance to calculate dividends on your account. The Average Daily Balance Method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.
5. ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on the business day that you deposit items to your account. If you close your account before dividends are paid, you will receive the accrued dividends.
6. MATURITY. Your account will mature according to the term indicated above, and as indicated on your account summary or statement.
7. EARLY WITHDRAWAL; PENALTIES. We will impose a penalty if you withdraw any of the funds in your account before the maturity date. The amount of the penalty is disclosed above. The penalty is calculated as a forfeiture of part of the dividends that have been or would have been earned on the account, and applies whether or not the dividends have been earned. The penalty may be deducted from the principal amount of the deposit. The Annual Percentage Yield disclosed for your account is based on an assumption that dividends will remain in the account until maturity; a withdrawal will reduce earnings. Exceptions to Early Withdrawal Penalties: We may, at our option, pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: (1) If an account owner dies or is determined to be legally incompetent by a court or other body of competent jurisdiction; (2) If the account is an IRA Account and any portion is paid within seven days after the establishment of the account; or (3) if the account is an IRA Account and the owner attains the age of $591 / 2$ or becomes disabled.
8. RENEWAL POLICY. For all certificate accounts other than the promotional certificate accounts: unless you otherwise instruct us, your certificate account will automatically renew at maturity. You will have a grace period as indicated above after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty. For promotional certificate accounts: your promotional certificate will not renew automatically at maturity. The account balance will be paid to you by check or transferred to another account of yours upon maturity. If transferred to another account of yours, dividends will be paid until the account is closed or transferred to another non-dividend-bearing account.
